From. The Secretary North Mysore Indian Planters
Association. Chikmagalur.

Letter No 16. Dated 11-3-1927.

Requests for reasons explained that the
Association be recognised to depute a member
to R.A. to represent Indian Planting Interests.

This was one of the Indian Planters Association
which was recognised last time to depute a member
from the Indian Planting Constituency, along with the
other Association, South Mysore Indian Planters
Association, which has not applied for recognition.

In this Connection it may also be pointed
out that no application for recognition, has been
received so far, from the European Planters Association
also, to represent European planting Interest in
the Assembly.

Submitted for orders as to whether any
reminders have to issue to these Associations, which
have not yet applied for recognition, to submit
their applications without any further delay.

Order No 4003-4 / Rel dated 18-3-27.
From The Secretary Mysore Planters Association
letter dated 21-3-1927.

States that the Association has elected Mr B.H. Rutherford, Idiban Estate, Ballurpete P.O. Hassan District ~~has been elected~~ to represent the Association in the Rep. Assembly.

The Association has not formally applied for recognition, but has (nominated) elected one of its members to the Assembly. In this connection it may be pointed out that the above Association is a Combined Association of three planters Associations (European), which were separately recognised during the last Triennium for electing a member to the Assembly. The three Associations were subsequently combined into a single Association, which has not yet been recognised for the purpose of sending members to the Assembly from the European Planting Constituency.

The Secretary will therefore be requested to forward at once a formal application as per notification No. Rel 802-32 / R.A. dated 4-3-1927 for recognition & after recognition, the nominated member of the Association will ^{may} be declared as duly elected to the Assembly.

Letter No 320-26 Dated 29.3.1927.

States that the Amildar Manjarabad Taluk has reported that the privilege of representation in the R.A. may be continued to the South Mysore Indian Planters & European Planters Association.

The South Mysore Native Planter's Association has not so far applied for recognition in spite of repeated instructions to this effect to the Association. It is therefore a point for orders whether this Association may not be left out of account & only the North Mysore Indian Planter's Association recognised to represent the Indian planter interest & the European Planters Association recognised to represent the European Planter interest in the Rep. Assembly.

In ^{that} such a case, the election will ~~be~~ have to be conducted by the Associations themselves as ^{they will be} single Associations representing spd interests & the results of Elections reported to this office for being notified.
